

Our most successful members work towards becoming Designated OLEVI Centres of Excellence...

Designated OLEVI Centres of Excellence (DOCs)...

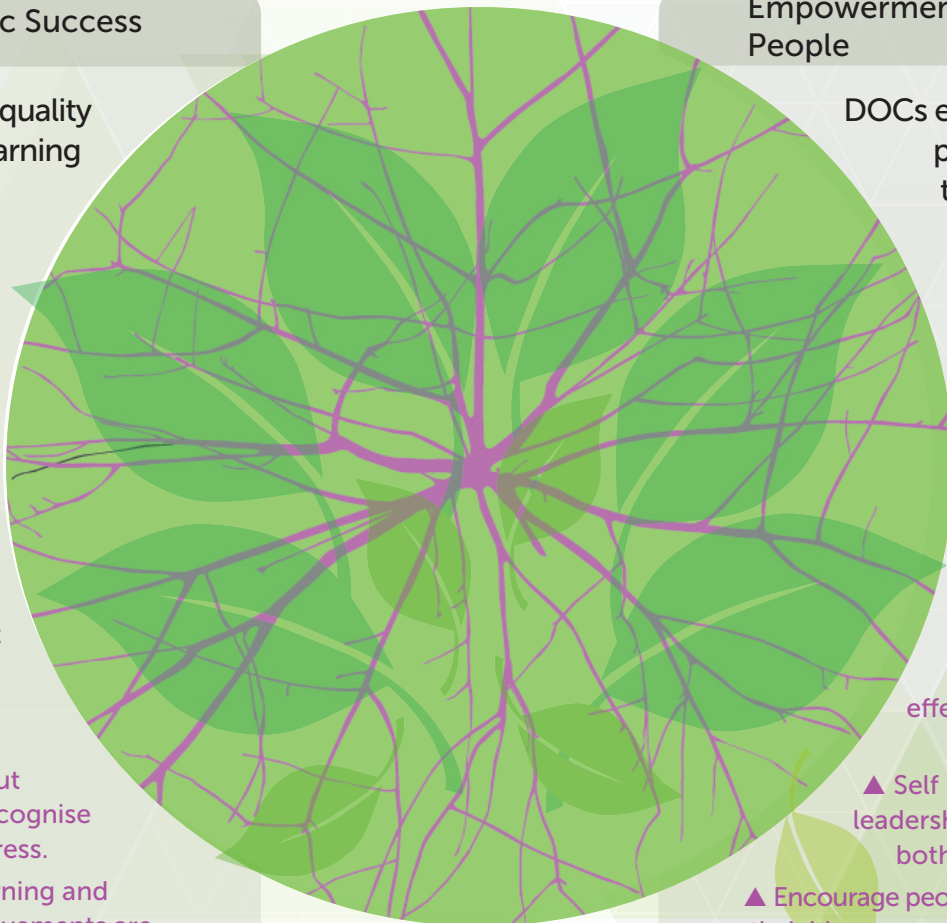

- ▲ Are credible and high achieving schools and organisations, inspirational for others.
- ▲ Are schools that are passionate about and embody the OLEVI ethos.
- ▲ Are proud and celebrate the impact they achieve through OLEVI.
- ▲ Have a deep understanding of OLEVI models which leads to enhanced learning and sustained impact.
- ▲ Seek to grow themselves and others collaboratively.
- ▲ Value the union of teaching and learning, leadership and coaching.
- ▲ Balance academic achievement with the growth and the well-being of people.

Academic Success

DOCs prioritise quality teaching and learning which leads to aspirational outcomes

- ▲ Academic success maximises future opportunities for all individuals.
- ▲ There is equal value in pupils' different academic pathways.
- ▲ People are passionate about learning and recognise their own progress.
- ▲ Individuals' learning and academic achievements are equally celebrated.

Empowerment of People

DOCs empower both pupils and staff to take greater ownership of their learning and progress

- ▲ A developmental culture that leads to staff and pupils feeling motivated and valued.
- ▲ Staff and pupils are able to collaborate effectively with one another.
- ▲ Self reliance and the leadership of others are both valued equally.
- ▲ Encourage people to learn from their ideas, promoting confidence and resilience.
