## The Creative Teacher Programme

Train the Trainers

The CTP enables classroom practitioners to become more reflective and creative, gaining a deeper understanding of the pedagogy that ensures a significant impact on the relationships with pupils and colleagues. Through this programme they become a more self-regulated and independent thinking professional.

This train the trainers programme consists of 2 focused sessions with a series of post session challenges, completed within one week. The sessions are 2 hours each and are run in twilight sessions. The programme has been designed for delivery online.

In addition to the Outstanding Facilitation Programme accreditation, full attendance at this programme will accredit you to be an OLEVI Facilitator of the Creative Teacher Programme.
