

# OLEVI The DR ICE<sup>®</sup> Learning Programme

The process of owning and taking responsibility for your learning is transformational. DR ICE is a new programme for adults and students alike, centring on how to create a profound thinking and learning experience and become a more courageous, reflective and action-oriented person.

This programme consists of 6 sessions with a series of post session challenges. The sessions are between 2 - 3 hours and can be run during morning, afternoon or twilight sessions. The programme has been designed for online, face to face or blended facilitation.

Full attendance at this programme will enable you to understand the importance of creating a strong learning culture, apply a common language to explain your thinking, and accelerate learning, benefitting yourself and influencing others.
