## The Senior Outstanding Leadership in Education Programme

Train the Trainers

The best leaders develop an aspirational vision and learn to balance challenge and support to create significant and sustainable impact. The SOLE programme provides greater clarity, grows confidence and develops competence as roles and responsibilities change, enabling strategic reflection on organisational improvement.

This train the trainers programme consists of 2 focused sessions with a series of post session challenges, completed within one week. The sessions are 2 hours each and are run in twilight sessions. The programme has been designed for delivery online.

In addition to the Outstanding Facilitation Programme accreditation, full attendance at this programme will accredit you to be an OLEVI Facilitator of the Senior Outstanding Leadership in Education Programme.
