## The Senior Outstanding Leadership in Education Programme

The best leaders develop an aspirational vision and learn to balance challenge and support to create significant and sustainable impact. The programme will provide greater clarity, grow confidence and develop competence as roles and responsibilities change, enabling strategic reflection on organisational improvement.

This programme consists of 3 sessions and coaching, focused on developing organisational leadership with a series of post session challenges, completed over a 3-week period. The sessions are 3 hours and can be run during morning, afternoon or twilight sessions. The programme has been designed for online, face to face or blended facilitation.

Full attendance at this programme will enable you to articulate a compelling vision that creates momentum, drive a well-considered yet agile plan, achieve the intended outcomes whilst leading a high performing growth culture.
