

OLEVI

The Outstanding Teacher Programme PLUS

Practitioners leading the development of teaching and learning will gain a deeper understanding of the latest innovative pedagogy and develop the mind, skill and knowledge set to lead teams to create a significant impact. They will engage in the latest research to develop the moral and social capital of the organisation.

This programme consists of 5 sessions focused on leading teaching & learning with a series of post session challenges, completed over a term. The sessions are between 2 - 3 hours and can be run during morning, afternoon or twilight sessions. The programme has been designed for online, face to face or blended facilitation.

Full attendance at this programme will enable you to develop and lead a learning focused team/organisation; work with colleagues and teams to improve practice; model innovative practice across the school or trust; and engage in facilitating research driven CPD.
