Why the OLEVI Train the Trainer (TTT) programmes?

What is the rationale?

These 6 TTT programmes are for OLEVI facilitators who want to facilitate OLEVI programmes across their own organisations, as Alliance members, and drive improvements in Teaching, Leadership and Coaching.

This training will ensure facilitators understand the purpose of the programme as well as key models, activities and processes. As well as accreditation, facilitators will have access to the resources and facilitator notes to ensure programmes can be facilitated successfully.

How does it work?

There is a simple 2 stage process to accreditation
